I am a former member of a certain branch of the German Police. In 1945, I was interned at Tokyo, Japan by order of the US Army Authorities. In 1947, I was repatriated to Germany via Rep. Ctr. 26th Infantry, Ludwigsburg/Wuertt. My denazification was carried through by Camp 77, Ludwigsburg, under file number BJ 1415/48. I am 39 years old, married, two children, living as a refugee at this place. At present, I am without a proper job, in which I could make use of my special experience and my linguistic qualifications. As to my experience I beg to state that after some years of service in Germany and other European countries, I was attached to the German Embassy in Tokyo-Liaison office of the German Police to the Japanese Department of Interior and other Japanese Police authorities. A linguist (interpreter/translator) by profession, I have a thorough knowledge of English, Russian, Japanese, Polish, Norwegian and French. I am also able to make translations from Swedish, Danish, Finnish, Czech, Ukrainian, Italian, Spanish, Romanian, Dutch and Hungarian. Furthermore, I have some slight knowledge of Chinese, Malay and Arabic. This linguistic knowledge, I would like to maintain and expand. It has proven useful to know some language, working in G-1 offices. As for references with regards to my activities in Japan etc., I beg you to apply to Major Shachan, 1945-46 member of GIC, Headquarters Tokyo/Yokohama. The present
